▪ Guidelines on Manuscript Submission

Manuscripts submitted to the Journal must follow the Society's Research Ethics Regulations.

Instructions on the Submission of Manuscripts for Review

1. Manuscripts may be submitted online at any time in accordance with the "Manuscript Submission Regulations" of the Journal.
2. Manuscripts for review are to be submitted as follows: 1) Download the template of the manuscript for review (1st column) below; 2) Edit the manuscript in accordance with the "Outline on the Composition of Manuscripts and Detailed Guidelines" and the example in the relevant template; and 3) Submit it online at the Society website → "Academic Journals" → "Journal of the Korean Society for Railway" → "Author (manuscript submission)."
* Download: Template of the manuscript for review (1st column)
3. Both members and non-members may submit manuscripts (however, when the corresponding author or the first author is a non-member, the manuscript review fees and manuscript publication fees separately decided by the Society must be paid).
4. The manuscript review fee shall be included in the manuscript publishing fee.
5. For details, please refer to [Manuscript Submission Regulations](#).

Manuscript Review Procedures

1. Manuscript review is performed promptly and fairly in accordance with the manuscript review regulations of the Journal, and the progress of the manuscript review can be personally confirmed by using the corresponding author's user name and password to log into the Society's online manuscript review system.
2. The results of the review are reported to the corresponding author, and a manuscript is considered unacceptable if a revised and supplemented version is not submitted within three months in the case of a first review and within two months in the case of a second review, respectively, from the date of notification.
3. In principle, objections to the final judgment on the results of manuscript review are not accepted.

Instructions on the Submission of the Final Manuscript

1. When the manuscript submitted has been finally accepted, the final manuscript must be submitted for publication. Here, the copyright transfer confirmation form must be submitted simultaneously for the submission of the final manuscript to be complete. If the final manuscript is not submitted within one month from the date of manuscript acceptance notification, the manuscript may be regarded as having been withdrawn by the corresponding author.
2. Final manuscripts are to be submitted as follows: 1) Edit the manuscript in accordance with the "Outline on the Composition of Manuscripts and Detailed Guidelines" and example in the relevant template; and 2) Submit it online at "Journal of the Korean Society for Railway" website → "Author".
3. In principle, all references must be listed 100% in English. Please bear in mind that if this is not followed, the manuscript submitted may be processed as unacceptable or its publication may be delayed indefinitely.
* Download: [Template of the manuscript for publication](#)

Guidelines on the Manuscript Publication Fees

- * Number of basic pages (6 pages): 120,000 won; 40,000 won added to each page exceeding 6 pages
